

Juggernaut.Case™ S7 BUMPR Cable Installation

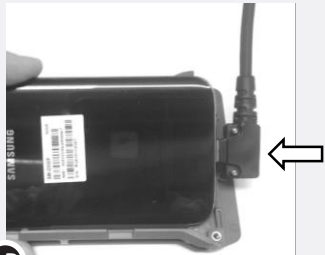

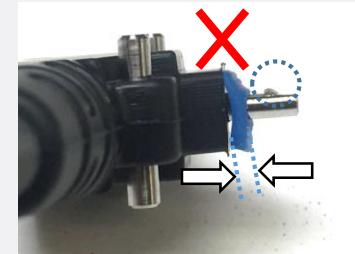

1

check that the rubber seal is attached and is clean and free from debris or damage

2

check that the rubber seal is in the correct orientation. The thicker side must be at the same side as the USB connector tabs as shown

4

install the cable into the USB port in the device

5

follow the BUMPR user instructions for installing the device

6

check that the cable pins are properly aligned into the BUMPR
